Drug Free Bristol 5K Run/Walk

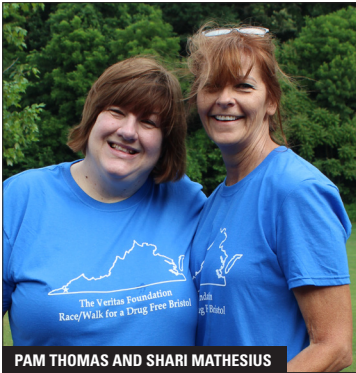

PHOTOGRAPHY AND STORY BY ALLISON GALLOWAY

Saturday, June 23rd was a beautiful morning for the Drug Free Bristol 5K Run/Walk. The race was timed by We Run Events, and awards were given out to the top females and males of each age category. Participants ran 3.1 miles through Sugar Hollow Park in Bristol Virginia to benefit the VERITAS Foundation.

The VERITAS Foundation is a non-profit established to provide financial assistance to the Bristol, Virginia Adult Drug Treatment Court. The VERITAS Adult Drug Treatment Court is a program in Judge Sage B. Johnson's court. The program seeks to reduce drug use and recidivism within the community by implementing a court-based program, that includes supervision, evaluation, treatment, and monitoring for its participants: all with the goal of promoting productivity, development of potential, and a safer, healthier community.
