Sole Source Contract Awarded –

Effective June 26, 2024, Highlands Community Services signed a software agreement with VENA Solutions USA (VENA). VENA provides budgeting, planning, forecasting, and other reporting options that will seamlessly interface with Sage Intacct, HCS' Financial/Human Resources software solution. Sage Intacct partners with VENA and this partnership allows VENA to become an integrated module within the Sage Intacct platform.

Sincerely,

A handwritten signature in black ink, appearing to read "Cindy Samuel", written in a cursive style.

Cindy Samuel
Program Director Procurement and Asset Management
